RELAXREM TREATMENT / MINK ON THE SKIN

The **RelaxRem** massage treatment, protocol Caveau, with active ingredients and functional technologies exclusives is inspired by the most ancient techniques holistic and bionatural.

The ritual begins by treating the most superficial part, the epithelial one, with unique brushes in very soft bristles that reproduce the same sensation of the **mink on the skin** as alight wind that caresses the body up to deeper layers, pamper and release all tensions, stress and stagnant thoughts.

The treatment continues with the fusion on the body with a midley of 10 selected precious oils with cold pressing in emulsion, acids essential fats and natural vitamins and a massage functional targeted. The effect is amplified from Tzubaki drops, pure extract in Camellia Japonica oil from islands of Izu, very rare and extremely precious, rich in omega-6, omega-9 and natural vitamins that in addition to elasticizing and regenerating the stratum corneum reduces inflammation localized even for the most delicate skins and hyperactive.

At the end of the treatment the skin treated in this way will be soft silky to the touch, not greasy, the completely relaxed body, mind emptied, with the feeling of having awakened.

JetPeel™ is a new device for cosmetic resur-
facing of the facial skin. It uses a new technol-
ogy of a two-phase stream that creates a jet
composed of gas (oxygen) and microdroplets
of fluid (saline) accelerated to supersonic ve-
locities.

JetPeel™ exfoliates by painlessly removing
the dead layer of the skin cells that negatively
impact your skin's natural healthy glow. It
penetrates, rejuvenates and oxygenates your
skin by infusing oxygen into the deep dermis
to recharge and revitalise these cells, improv-
ing skin texture, tone and colour.

It's an all natural air and water dermal infu-
sion, a deep serum and solution penetration
without needles.

Results:

- wrinkle improvement
- tissue toning
- replumping
- greater compactness
- shrinking action
- eliminates acne
- soothing
- brightening action
- improves scars
